

LAUNCH KITS

Launch Day Checklist

Share your new website on all social media profiles.

Email friends, family, and past clients asking them to share it.

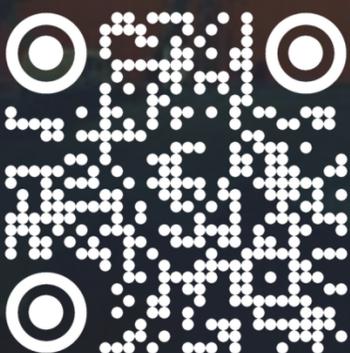

Connect your website to your Google Business Profile and other listings.

Join your local Chamber of Commerce.

Send a short note about your launch to your local paper.

Post in local Facebook Groups to spread the word.

Offer a referral gift for anyone who sends you new customers.

Keep your site active with new photos, updates, or seasonal offers. Remember, you can submit unlimited blog posts and page updates here:
